

TUSCAN VILLA

GLAZED PORCELAIN

floridatile

TRAVERTINE WITH A MODERN PALETTE

shown on front: **TUV20 12x24** Cortona Beige

Tuscany is the Italy of your dreams. Ancient farmhouses built around cobblestone courtyards overlook sundrenched valleys of lavender and cypress trees. Olive orchards dot the landscape and the view from every summit is sublime. The beauty is simultaneously awe-inspiring and welcoming. Fitting perfectly into this scene is Tuscan Villa from Florida Tile.

This traditional travertine inspired look has a modern palette and clean edges. The movement within each graphic and the premium glaze on the surface provides a luxurious distinction. A soft feel stands in strong contradiction to the extreme durability and slip resistance provided by this state-of-the-art glaze. The undulations on the surface create a subtle timeworn texture that transports you to the relaxed atmosphere of Tuscany.

Three fresh color choices enable this porcelain tile to stand out from the crowd. Arezzo Ivory stuns with a warm white base and swirls of light gray and fawn hues, Cortona Beige is imbued with a palette of beiges and golds over a base of alabaster, and Florence Silver is a dramatic blend of soft gray tones that fuse into a sterling nebula. Each color is available in 12x12 and 12x24 pressed field tiles, a 36 piece mosaic, and a 3x12 bullnose.

Tuscan Villa is appropriate for most interior applications in both residential and commercial settings. It is made in the USA in our Green Squared Certified® Advanced Manufacturing Center in Lawrenceburg, KY. It contains pre-consumer recycled content and is GREENGUARD® and Porcelain Tile certified.

Bullnose		P43C9	3x12	7.5x30

¹ These values may vary from lot to lot.

² These values are based on actual sizes including the grout joint.

³ May not apply to textured surfaces or tiles with uneven back patterns such as mesh mounted mosaics.

Typical Uses

Tuscan Villa glazed porcelain tile is appropriate for most residential and commercial wall, countertop, backsplash, and floor applications.

Notice: Not all flooring products are suitable for wet areas, specialized applications, or commercial use. Please refer to the American National Standard Specifications for Ceramic Tile (ANSI® A137.1) for ceramic, stone, and glass installation for specific usage and installation information.

This Florida Tile product will contribute to USGBC LEED® points and the ANSI® approved NAHB® Green Building Points.

Notes

Color, texture, and finish variations may occur due to the nature of the product.

Color reproductions in this printed piece may vary from actual tile colors. Final selection should be made from actual tile samples.

Country of origin and other product features and characteristics are subject to change due to manufacturing efficiencies and other factors. See retailer or product packaging to verify country of origin and other product characteristics.
